2024 For Electronic Application
Kanagawa Prefecture High School Supplemental Scholarship Fund
(General Payment · National & Public)

Grant to support Educational Expenses other than tuition Repayment Unnecessary (Application Required) Provided to Households receiving public assistance (occupational assistance) and Households exempted from resident tax on income basis

1 Applicant Eligibility: Households where all of the following conditions are met as of July 1, 2024.

(1) The guardian of the student has an address in Kanagawa Prefecture.

- Please make inquiries to the prefecture the guardian lives in if it is not Kanagawa Prefecture.
- Application deadline differs from prefecture to prefecture. Please confirm early (by the end of July if possible.)

(2) The household is receiving public (occupational) assistance or exempted from resident tax on income basis.

- The status of households receiving public (occupational) assistance (hereinafter referred to as "households on public assistance") is confirmed with the implementation of occupational assistance as of July 1, 2024.
- The status of households exempted from resident tax on income basis (hereinafter referred to as "households exempted from taxation") is confirmed with the total amount of prefectural tax on income basis and municipal tax on income basis of all of the guardians for the fiscal 2024.
- If the household is exempted from taxation because the guardian has been working outside
 Japan on assignment, etc. and therefore does not have an address inside Japan, the rule above
 is not applicable.
- Qualification is examined using the amount of prefectural and municipal tax on income basis
 after the flat-amount cut.

(3) The student is enrolled in a high school or other secondary school.

- High school and other secondary school students mean the students qualified to receive "High School Tuition Support Fund," "Relearn Support Fund" or "Advanced Course Support Fund."
- If the student lives in a child welfare institution (except for maternal and child living support facilities) or is raised by foster parents, and the study tour fees or special raising fees are provided for, the student is not eligible for this scholarship fund.
- High School or Other Secondary Schools (except for the short-term course) include secondary schools (senior course), colleges of technology (first to third graders), specialized training colleges and miscellaneous/vocational schools which have courses similar to those of high school.
- Advanced course of high school and other secondary school (senior course) is included.
- * Persons who meet conditions (1) to (3) and applied for High School Tuition Support Fund or scholarships may be eligible.

2 Application Period: July 1 (Mon.), 2024 — December 13 (Fri.), 2024

- Electronic application has been introduced starting from 2024. Please check the Application Manual and so on for details.
- When electronic application is impossible or significantly difficult, application using paper documents can be accepted. Please contact the school.
- Application documents are to be examined. Please submit early.
- If the household is supporting two or more high school students, application is necessary for each student.
